KING GEORGE HOSPITAL

Annual Report, 1934.

MEMORIALS

Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed; or to picture a place more appropriate for a record to the Memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

(For particulars of Bed and Cot Endowments see pages 99-103).

In opening the Hospital

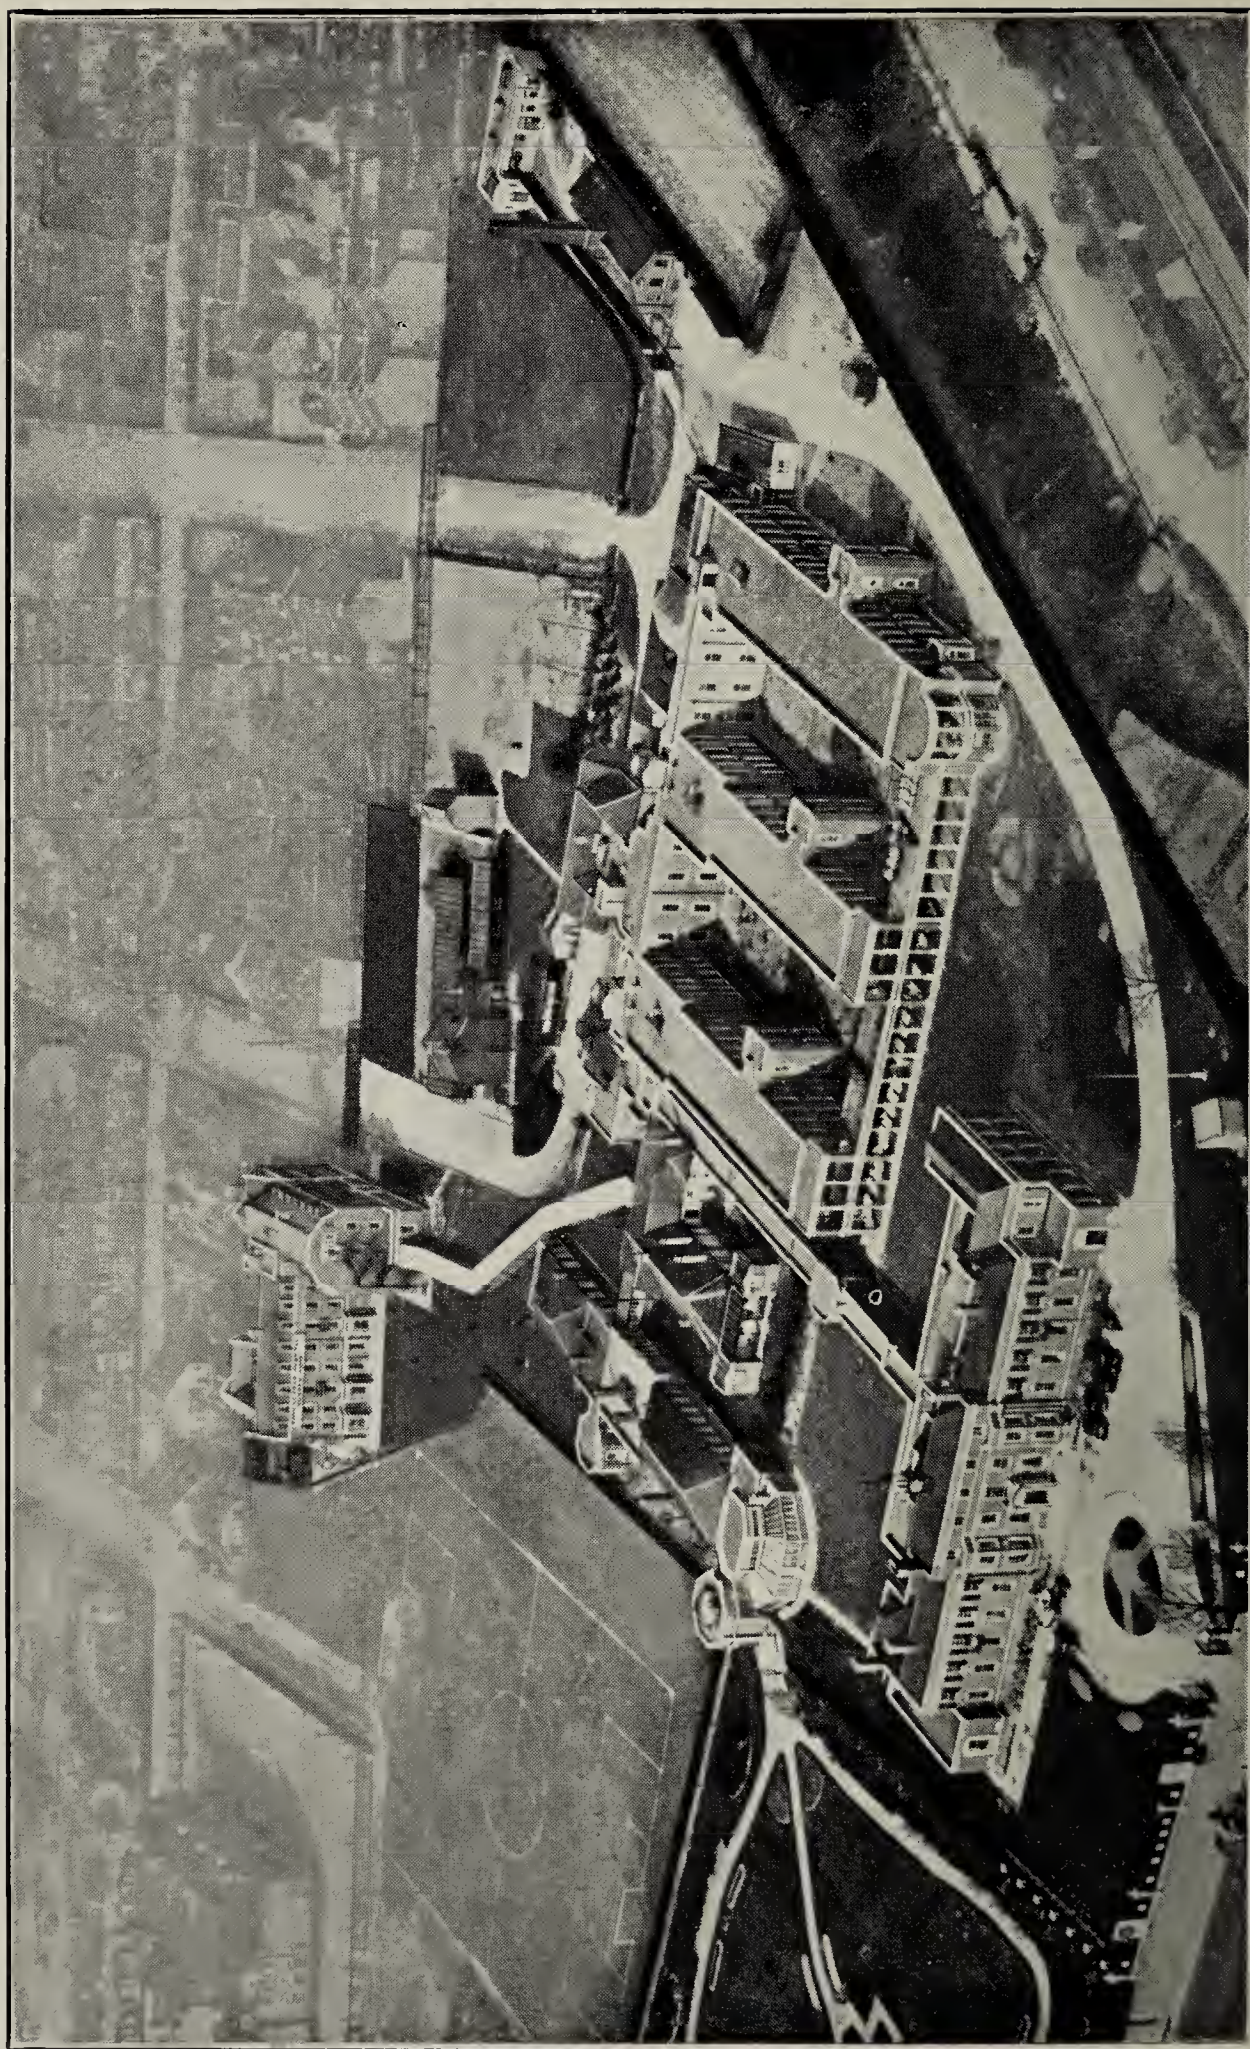

His Majesty the King said—“ *It would be difficult to find a worthier object for benevolence.*”

The Prince of Wales stated at the Mansion House—
“ *This new Hospital has no roots and both its creation and maintenance are full of difficulties. Let us do what we can.*”

The Archbishop of Canterbury has testified—“ *Having seen the problem on the spot I put it before you as overwhelming.*”

The Hospital's Royal Patron opened the Institution wishing “ *Godspeed to this great enterprise.*” Will you send something, even if only a little, to ensure the continuance of its humane work so auspiciously begun?

THE KING GEORGE HOSPITAL

ANNUAL REPORT, 1934

THE Board of Management have the honour to submit their Report for the year 1934, together with the audited accounts.

FOREWORD

During the year the " Baker Memorial Wing " has been completed and is now in use. The new Wing consists of a Private Nursing Suite of 21 beds on the ground floor and a large General Ward of 34 beds on the first floor. Mr. Henry T. Baker, to whose great generosity this handsome addition to the Hospital is largely due, laid the Foundation Stone on 23rd June, 1934, and the Wing was opened for the reception of patients on 19th January, 1935. The Architects, Messrs. Dawson, Son & Allardyce, and the Building Committee have spared no effort to make the new Wing as attractive and well equipped as possible, and the Board consider that they have done their work excellently. Mr. Baker has himself rendered considerable help and has shown great interest in the progress of the work. Consequent extensions have been made to the Nurses' Home and to the Medical Officers' residency. An extension to the " Walter Stevens " Children's Ward will shortly be completed, when the Hospital will have over 200 beds available. In addition the Casualty Department has been considerably extended, additional Waiting Rooms, Consulting Rooms and Recovery Wards having been provided.

The erection of Buildings has in no way interfered with the work of the Hospital. All available beds have constantly been filled and the various Casualty and Out-Patient services have increased by approximately 20 per cent.

The ordinary expenditure of the Hospital increased from £29,080 6s. 9d. in 1933 to £30,462 4s. 3d., a difference of £1,381 17s. 6d. and the maintenance income from £29,321 3s. 1d. to £30,449 10s. 5d. There was, therefore, a deficit of £12 13s. 10d. on this account, to which must be added £220 contributed to the Ilford District Nursing Committee. Although the increase of maintenance income did not quite keep pace with the higher expenditure consequent upon the increased work, it should be pointed out that during the year there was a capital outlay of £21,471 19s. 9d. upon new Buildings, etc., and, in spite of this fact, the Building Fund Debt was reduced by £5,770 (From £24,720 to £18,950).

This Debt must be liquidated before further essential extensions are undertaken, and for the coming year, a maintenance income of approximately £40,000 will be required.

During the year 142 beds have been available and 154.4 occupied daily, extra beds being constantly in use. The total number of In-Patients was 3,245, and there were 104,361 Out-Patients attendances.

The Board again call attention to the fact that this, the youngest of the large General Hospitals of Greater London receives less of its income from Endowments and Legacies than any comparable Hospital. It has therefore been much more difficult to meet ever-growing expenses, particularly in view of an almost continuous building programme. A capital outlay of £173,979 has been expended since 1930 when the King George Hospital was inaugurated.

The Board earnestly appeal to all who can influence benefactors and introduce new friends in order that progress can be continued until the Hospital is in every way adequate for the extensive area it serves.

OBITUARY.

The Board, with the deepest regret, record the loss of these most generous friends—

Mrs. Henry T. Baker passed away in April. Her memory will for ever be preserved in the Wing which, with her husband, she dedicated to the alleviation of the sick and suffering.

Further great losses were sustained in the passing of Mrs. Dane, the first Mayoress of Ilford, whose humane work was so well-known, and Mr. Alfred North, one of the Hospital's oldest friends and subscribers.

PRESIDENT.

The Board of Management express their sincere congratulations to Brigadier-General Sir Richard B. Colvin upon the honour of knighthood conferred on him by H.M. the King.

VICE-PRESIDENTS.

Sir Charles Batho, Bart. was elected a Vice-President during the year.

HON. LIFE GOVERNORS.

The following have been elected as Hon. Life Governors during the year :—

Mr. W. V. Bowell	Mrs. Poston
Mr. A. Gregory	Mr. T. J. Robinson
Col. H. H. Mauldin	Mr. Chas. Single
Mr. H. P. Morley	Mr. W. A. Swinton
Mr. A. W. Murray	Mr. G. F. Thurston
Mr. L. P. Parker	Mr. F. C. Wilson

THE YEAR'S WORK.

Statistical Tables giving particulars of the number and cost of In-Patients and Out-Patients treated during the year will be found on pages 28 and 29.

THE BECONTREE CENTRE, DAGENHAM.

During the year 8,283 patients made 49,401 attendances, and, in the treatment of minor casualties and patients requiring dressings, etc., the Centre continues to do most valuable work for residents of the Housing Estate, particularly children.

The value of the Centre has been greatly increased during the year under review by the development of the Tonsils and Adenoids Clinic for the Essex County Council. The Centre has been furnished with 10 cots, and operations are performed every week, the total of such operations during the year being 298.

A Sister and three Nurses are in residence and the Centre is visited daily by a Medical Officer of the Hospital, who is also available for emergencies.

The ladies of the Dagenham Section continue to undertake most valuable mending work for the Centre and for the main Hospital.

FINANCE.

The Accounts for the year, duly audited by W. R. Barlow Tyler, F.C.A., will be found on pages 22 to 33.

The following is an extract from the Auditors' Report :—

Whilst I regret that the record for some years of ensuring that Annual Income exceeded Expenditure on general Running Account has been broken, I do feel that your Board of Management and you are to be congratulated on a financial progress in 1934. I have referred to the small deficiency of £232 13s. 10d., but against this, no less a sum than £25,978 2s. 2d. has been raised on account of Buildings and Equipment Funds, although I must acknowledge, that of this total figure, £10,000, the generous donation of Mr. Baker, was available at the commencement of the year.

King Edward's Fund for London gave a grant of £2,587, and a further grant to the Building Fund which is included under that heading. The grant from the Metropolitan Hospital Sunday Fund was £340.

The Board again tender cordial congratulations and grateful thanks to the Officers and Members of the King George Hospital Aid Society, who once again rendered invaluable help. The total amounts contributed by the four Sections were as follows :—Barking Section £700 0s. 6d., Dagenham Section £623 15s. 10d., Ilford Section £1,034 5s. 6d., South Hainault and Goodmayes Section £239 10s. 4d. The figures given, include amounts credited to the Society as well as the actual cash received, as given on page 62.

The Baker Memorial Wing

A list of the Officers of the Aid Society will be found on page 95.

The Honorary Secretaries will be glad to enrol new members to assist them in their work.

The Board are pleased to report that the Hospital received an allocation of £700 from the Alexandra Rose Day Committee, this amount constituting a record. £600 was in respect of the Ilford Collection, and £50 each of Barking and Dagenham. This very generous help is largely due to the splendid work of the Lady Organisers: Ilford—Mrs. E. Hinton, Barking—Mrs. Ware, and Dagenham—Mrs. Poston.

King George Hospital's own Day "White Rose Day" also proved a record success, over £450 being collected. The adoption of a White Rose as the Hospital's emblem instead of a Flag proved instantly successful, and it is hoped that this event will become increasingly profitable.

The Board very gratefully acknowledge £500 from Smith's (Kensington Estate) Charity.

A further substantial donation of £500 has been received from The Alfred Rothschild Trust, per Sir Milsom Rees, G.C.V.O., D.Sc., F.R.C.S., making the total received from this source £4,500.

An Exhibition of Railway Stock was kindly held by the London and North Eastern Railway for the benefit of Charity, the King George Hospital receiving the Lion's share amounting to no less than £389 6s. 1d. This Exhibition was remarkable not only for its excellence as such and for the great public interest displayed but for the self-sacrificing voluntary work of large numbers of Railway Officials and Workers.

The board acknowledge the receipt of a generous contribution of £91 10s. 0d. towards the Young Memorial Fund. This Fund was raised in respect of the late John Young, Esq. in place of sending flowers. The Hospital would greatly benefit if this most effective method of paying tribute were more generally adopted.

Through the kindness of the Port of London Authority and the Essex County Cricket Club, a Match was played on the ground of the former in aid of the Hospital, which resulted in a profit of £84 3s. 2d. These teams will meet again in aid of the Hospital funds on 29th June, 1935, at the Port of London Authority ground, and it is hoped that this popular annual event will secure even wider support.

The services of all concerned in the management of the Ilford School's Football Association during 1934 are particularly appreciated by the Board of Management, £56 9s. 8d. was received from this source making a total of £710 5s. 8d. since the inauguration of this competition.

Among the other substantial contributions received were the following :—

The Board of Management also gratefully acknowledge the generous contributions in respect of Sunday Opening of Cinemas in the London County Council and Essex County Council areas.

BUILDING FUND.

The sum of £15,978 2s. 2d. was received towards the Building Fund during the year, in addition to the sum of £10,000 from Mr. Henry T. Baker.

The Three Towns Bazaar was held at the Town Hall, Ilford, and resulted in a profit of £4,246 8s. 9d. The venue was by no means large enough, but this result was made possible by the magnificent work of the stall-holders and their helpers and the response of the public. Particular attention is drawn to the magnificent effort of the school-children of Ilford, who presented Purses to the value of £616 18s. 6d. During the last five years the children have contributed no less than £2,016 18s. 6d. The Board of Management wish to take this opportunity of conveying their very grateful thanks for the self-sacrificing and untiring work of all concerned.

Substantial donations were received as follows :—

The amount expended during the year on buildings and equipment was £21,471 19s. 9d.

THE LINEN GUILD.

On 13th December, the Linen Guild held their Annual General Meeting in the new Ilford Ward. The Lady Gwendoline Colvin, C.B.E., presided, and the Chairman, Mrs. Seymour Hicks (Miss Ellaline Terriss), was present. A most interesting address was given by Miss Merriman, R.R.C. The Meeting was a memorable one and remarkable progress was recorded. The Guild have undertaken to equip the new Ilford Ward with Linen as well as the Children's Ward Extension and will, in addition, undertake regular mending work. The Board deeply appreciate this invaluable help and very cordially congratulate the Officers and Members of this virile Organisation upon the great success achieved.

The Hon. Secretary, Mrs. P. Tyson Davidson, will be very glad to hear from prospective members and to supply them with full particulars.

The Board are also very grateful to Mrs. Amies and her friends who have worked so hard throughout the year in the making of Hospital garments for use at the Hospital and the Five Elms Centre.

THE PATIENTS' LEAGUE.

The Board gratefully acknowledge the invaluable help of the League during the past year. In addition to contributing £13 11s. 6d. towards the funds of the Three Towns Bazaar, and £25 towards the pro-

vision of a new Diathermy Apparatus, the League donated £30 towards the Samaritan Fund, the principal object of which is to supply surgical instruments and to defray the cost of convalescence in deserving cases. The League has given £138 11s. 6d. to this Fund since 1928.

THE NEW PRIVATE NURSING WING.

Special attention is called to the fact that the ground floor of the new "Baker Memorial Wing" is reserved for Private Patients, 21 beds being available. These rooms have been tastefully arranged and furnished, and are provided with all modern facilities for comfort. A spacious sun-room has been provided at the Southern extremity of the Wing and this feature will doubtless be greatly appreciated by convalescent patients. General particulars of the terms of admission to the Private Nursing Wing will be found on page 109. Further information is contained in a brochure, copies of which will be furnished by the Secretary upon request.

It has long been realised that an ideal Private Patients' service can only be given in a separate Block, and now that this luxurious suite has been made available by Mr. Baker's generosity, it is hoped that full advantage will be taken of it by those residents of the area who, whilst not socially eligible for admission to the General Wards, are still of moderate means.

X-RAYS TREATMENT DEPARTMENT.

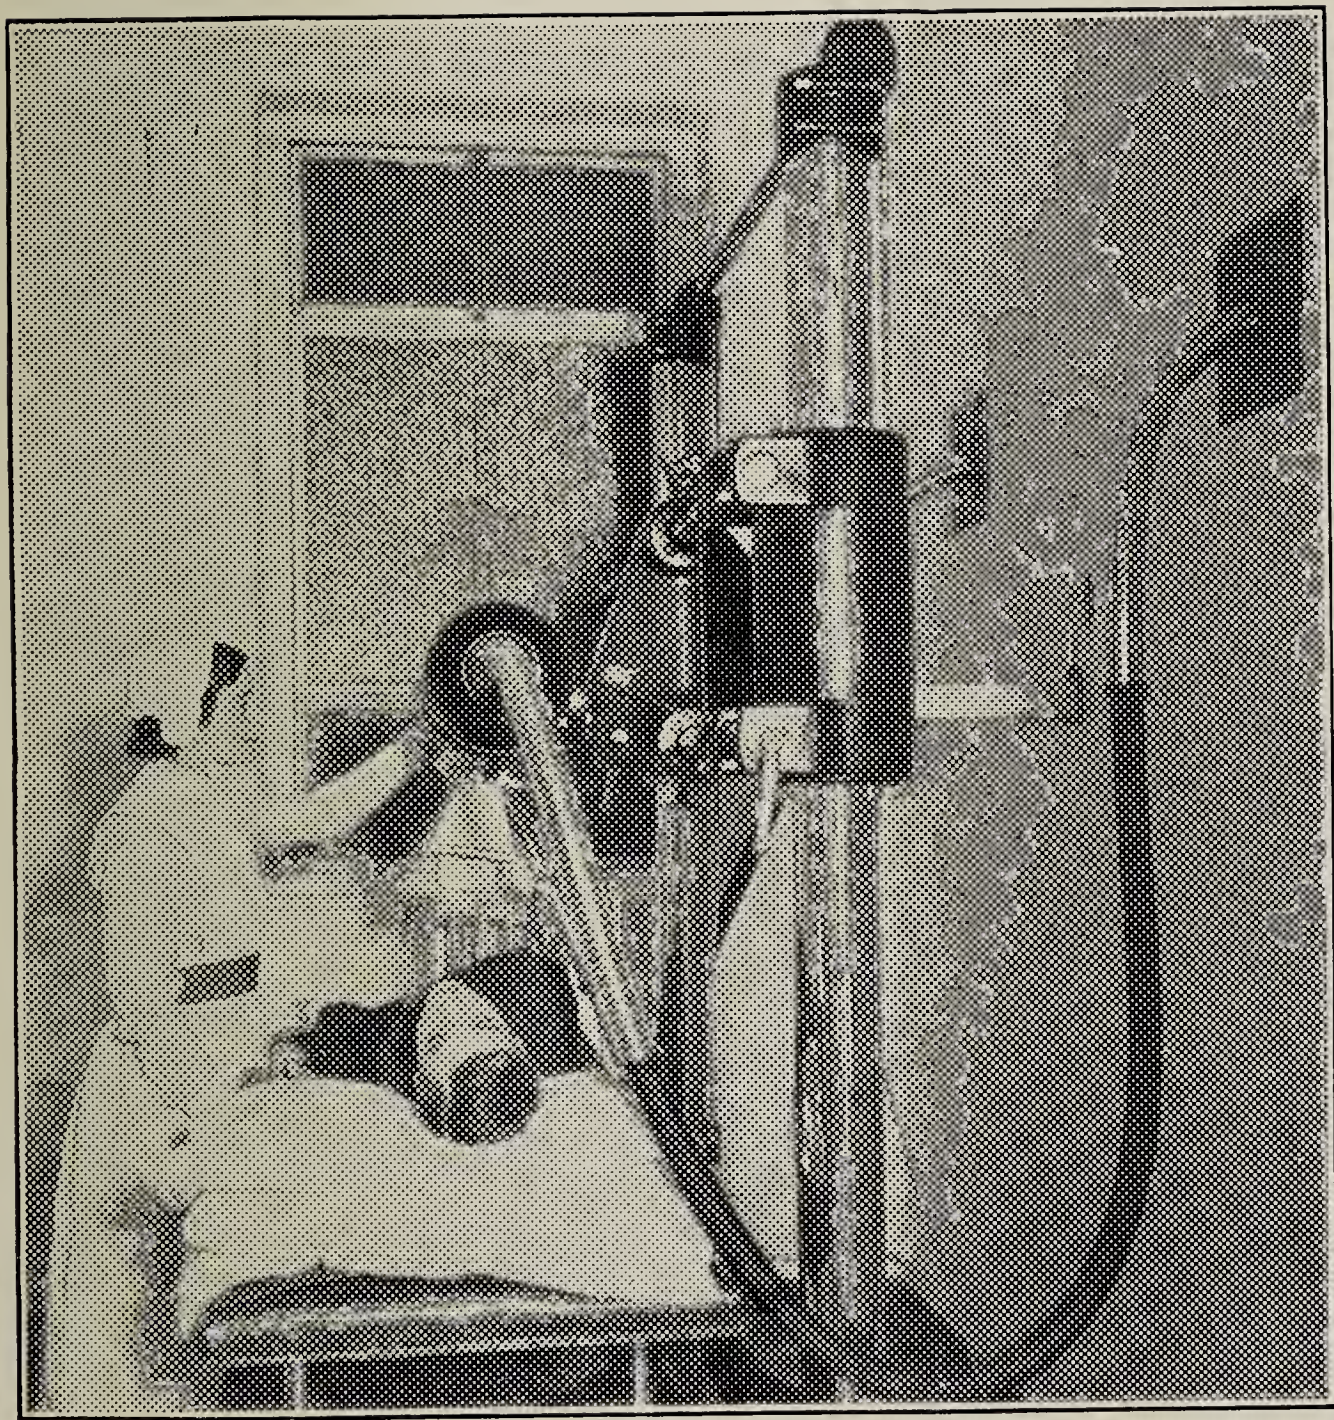

Thanks to the generosity of the Corporations of Ilford and Barking and the Urban District Council of Dagenham, the Hospital is now equipped with an up-to-date X-Rays Treatment Department in addition to its X-Rays Diagnostic service. The provision of this expensive plant marks a great step forward and enables the Hospital to alleviate much suffering by the application of deep therapy treatment in cases of malignant growths, etc., and to treat a large number of skin diseases, etc., by superficial therapy. Formerly residents in this area were obliged to travel long distances to obtain such facilities. The donors have performed a very real public service in this matter. As evidence of the great need, it is interesting to note that no less than 495 treatments were given in this new Department between 30th October, 1934 and February, 1935. The thanks of the Board were tendered at an official opening of the Department, which took place on 30th October, 1934, and at which the Civic Heads, Aldermen and Councillors of the Three Towns were present.

CONTRIBUTORY SCHEME.

Substantial progress has been made in the development of the King George Hospital Contributory Scheme during the year.

The total income during the period under review amounted to £2,469 from twopence per week contributors, and from Annual Subscribers, an increase over the preceding year of £279.

Dedication of the Bed to be maintained by the Ilford County High School for Girls

204 Contributors and their dependents received In-Patient treatment and Out-Patient attendances totalled 3,648.

The area has been recanvassed during the year as a result of which the membership has been increased from 3,276 at the 1st January to 6,876 at the 31st December, 1934, an increase of over 100 per cent. This big effort was made at considerable expense and its justification will depend upon the continuance of the zealous and ungrudging work of the large body of ladies and gentlemen who gave their time as Voluntary Collectors for the Scheme. Their number has increased during the year from 125 to 224, and the Board would like to place on record their grateful appreciation of this invaluable service.

During the year the Voluntary Collectors' Association was formed with the object of bringing the Voluntary Collectors in closer contact with one another and the Hospital gave them official recognition by allocating Annual Governorships to them in accordance with the Bye-Laws. An attractive Badge of membership is issued to each Collector.

A further alteration which it is hoped will make the Scheme more popular with the public is that arrangements are now made to refund to the members their full contributions if they are treated at another Hospital after having applied for and been unable to obtain admission at their own Hospital.

With the added financial burdens of the extensions which are now open, the regular collection of the weekly contributions is becoming a more and more important factor in the Hospital's Budget, and the Board confidently rely upon the Voluntary Collectors' Association to continue its splendid work.

Full particulars of the Scheme will gladly be supplied on request by the Secretary and Superintendent of the Hospital, and offers of personal service will be welcomed.

LEGACIES.

The Board of Management are deeply grateful for the Legacy received from the Executors of L. M. Riddell, Esq. of £63.

ENDOWMENT AND MAINTENANCE OF BEDS.

Current additions to the Endowment Fund during the year were as follows :—

				£	s.	d.
Henry T. Baker, Esq.		15,000	0	0
County High School for Girls	50	0	0
Hobdean's Dramatic Club	37	2	0
Moreen Lawrence School of Dancing	28	17	5
Ilford Æolian Ladies' Choir	21	15	0
Ilford Golf Club	4	4	0

The Board again call attention to the splendid efforts which are being made by the Schools in the Endowment of Cots, and particularly welcome this generous practical interest of young people.

The Ilford County High School has now undertaken the maintenance of a cot which was dedicated on the 27th of March in the presence of His Worship the Mayor.

On Oct. 20th the Ilford Auxilliary Sunday School Union which has supported a cot since the early days of the Ilford Emergency Hospital, unveiled a new plate commemorating the name of W. F. H. Stoneman, their late President.

The Board report with great pleasure that Lady Wise has undertaken to endow a bed in the Ilford Ward of the new Wing and regard it as singularly appropriate that this generous gesture will result in the first endowed bed in the Ilford Ward being dedicated to the late Sir Fredric Wise, M.P., who was Charter Mayor of the Borough and who was held in such high esteem.

GIFTS AND ACKNOWLEDGMENTS.

Many valuable gifts were received during the year, a list of which appears on pages 103-106.

The Board record with very great pleasure the splendid support they have received from local Churches, particularly with regard to valuable gifts from Harvest Festivals.

In addition, the Board acknowledge their indebtedness to Mrs. Philip Astley (Miss Madeleine Carroll) for her kindness in presenting a complete Talking Picture Projector Set, thus enabling the Hospital Authorities to give Entertainments to Patients in the Wards. As will be readily understood these Entertainments are highly appreciated by the patients.

The Board are also indebted to members of the London Blood Transfusion Service who gave blood during 1934, as follows :—

Adamson, L. C.; Albrow, A. R. (twice); Austin, Mrs. J. Q.; Austin, R. (twice); Barlex, W. G. (twice); Barnes, Miss D. E.; Baxter, C. H.; Bolwell, G. A. (three times); Bull, W. E.; Caron, E.; Cole, E. V.; Collins, M. S.; Farmer, T. G.; Gasson, Miss H.; Green, R. W.; Harris, A. E.; Harris, Mrs. M. V.; Jarvis, R. S. T.; Jervis, Mrs. A. A. (twice); Logsdaile, J. E.; McGuire, A. T.; Partridge, Miss K. M.; Pensfold, S. J.; Perry, R. H.; Pritchard, J. W.; Rogers, S. J. C. (twice); Rowe, C. C. H.; Stanley, C.; Tufton, A. H.; Watt, Miss D.; Withrington, A.; Wright, A. W. G.

HONORARY CHAPLAINS.

The Reverend A. M. Wheatley, A.K.C., B.D., and the Reverend David Sutherland very kindly continue to fill the Offices of Honorary Chaplains.

A room in the Private Nursing Wing

Services are held regularly in the Hospital Chapel and patients are visited in the Wards.

LIBRARY.

The facilities offered by the Hospital Library Service, which has been greatly assisted by the generous co-operation of the Municipal Authorities of Barking, Dagenham and Ilford, have been gratefully appreciated by the Patients. The Board are most grateful to the Hon. Librarian, Miss Dorothy Hilder, and her Assistants, Miss Norah Burn, Mrs. Culling, Miss Ruth Gibson, Miss Doreen Morton and Mrs. F. Smith for being so good as to undertake this work.

HONORARY MEDICAL STAFF.

The Board again tender very sincere thanks to the Honorary Medical Staff for the great service they render to the Hospital.

It is again emphasized that the status of the Voluntary Hospitals has, in the main, always been dependent upon its ability to attract the voluntary service of the most eminent members of the Medical Profession.

No change has to be reported in the personnel of the Staff during the year.

RESIDENT MEDICAL STAFF.

The Resident Medical Staff consists of a Resident Medical Officer, who is a Fellow of the Royal College of Surgeons of England, three House Surgeons, one House Physician and one Casualty Officer.

NURSING STAFF.

The Board of Management and the Honorary Medical Staff again express their satisfaction with the work of the Nursing Staff and are pleased to report that a very high standard has been maintained.

Lectures have been given by members of the Honorary Medical Staff and the Matron, a high percentage of passes being attained in the examinations. A full-time Sister Tutor has now been appointed.

Valuable voluntary assistance has again been given by members of the Leytonstone Division of the British Red Cross Society whose assistance is highly appreciated.

Christmastide was happily spent, the Nursing Staff sparing no effort in an endeavour to make the Hospital as homelike as possible. The decorations were pretty and effective.

The Nativity Play, "Angels of Bethlehem," was very beautifully rendered and much appreciated by a crowded audience.

CONCLUSION.

In conclusion, the Board again tender their most grateful thanks to the public who have so loyally supported the development of the King George Hospital, which His Majesty The King in opening the Hospital described as a "Great Enterprise." Romantic and rapid though the growth of the Hospital has been, it is still far from adequate for the needs of the area it serves, and during the coming year it will still be a painful necessity to refuse patients daily for lack of room. . Nevertheless, further extension is impossible until the Building Fund Debt is liquidated, and the increased maintenance income made secure.

The Board confidently leave the issue with the public. They feel sure that a necessity which cannot be questioned, coupled with the increased prestige of the Hospital will soon allow of the further progress of the King George Hospital towards its ultimate inevitable position as one of the largest and best equipped Hospitals of Greater London.

Signed on behalf of the Board of Management,

A. W. GREEN,

Chairman.

AUDITOR'S REPORT.—I have audited the Books and Accounts of the King George Hospital for the year ending 31st December, 1934, and have obtained all the information and explanations I have required.

The item "Sundry Creditors, Building and Equipment" £6,079 1s. 7d. includes work completed up to 31st December, 1934, as calculated by the Architects. In addition there is a contingent liability of £6,582 7s. 5d. in respect of contracts placed but not completed at 31st December, 1934.

To the best of my knowledge and belief, the regulations of the Revised Uniform System of Hospital Accounts have been followed and subject to the aforementioned contingent liability and to the fact that no reservation is made on account of the contingent liability of the Hospital under "Contributory Fund and Subscribers' League" Schemes, in my opinion, the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Hospital's affairs according to the best of my information, the explanations given me and as shown by the Books.

DISTRICT NURSING COMMITTEE

FOURTEENTH ANNUAL REPORT.

Ilford District Nursing Committee :

Chairman : A. W. GREEN, ESQ., J.P., E.C.C.

Deputy Chairman : THE REV. DAVID SUTHERLAND.

CAPTAIN H. W. AMIES, A. H. G. BURTON, ESQ., M.D., D.P.M., D.P.H., M.R.C.P., W. T. CADNESS, ESQ., MRS. C. W. CARRELL, ALDERMAN C. W. CLARK, MRS. DUNNICO, J.P., MRS. H. GILBEY, THE REV. W. C. HARLING, MRS. A. C. HATCHER, MRS. E. HINTON, G. J. MAGGS, ESQ., THE REV. CANON A. W. OTTAWAY, M. A., JOHN S. PARKER, ESQ., MRS. WALSH, DR. R. BOYD ROBSON, MRS. WISE.

The District Nursing Committee have pleasure in submitting their Report and Accounts for the year ended 31st December, 1934.

The number of new cases treated was 564, involving 10,963 visits, of which 6,911 were to Medical cases, 2,879 to Surgical cases, 5 to assist at Operations in patients' homes, and 1,168 for Massage. The cases were distributed as follows :—Cranbrook 64, Park 60, Seven Kings 90, North Hainault 151, South Hainault 38, Loxford 78, Clementswood 23, and Becontree 60.

Three full-time nurses and one supply nurse and a masseuse were employed throughout the year.

The Accounts show a small balance carried forward to 1935 of £3 8s. 11d. after taking credit for £220 transferred from the Hospital as a donation in respect of administration costs and the housing of nurses.

The total sum received from patients was £450 17s. 10d. as compared with £482 19s. 10d. in 1933.

The cost of work done for the necessitous poor during the year was £334 11s. 7d. The amount received from patients averaged 9.9d. per visit as against an average cost of 1s. 5.2d. £35 was received from the Central Council of District Nursing, and a grant of £20 from the Metropolitan Hospital Sunday Fund. Amongst the donations received during the year were the following :—£21 from the St. Clement's Sick and Poor Fund and £5 from the Rev. David Sutherland. A complete list of donations appears on page 112.

Much of the work of the District Nursing Association is done for those who, whilst infirm and almost destitute, are not eligible for admission to a Hospital.

The cost of working during 1934 was £785 9s. 5d. Owing to the association of the District Nurses with the King George Hospital it is perhaps not generally realised that it is a separate work, greatly needing support. As will be seen from the Accounts, the total

amount received in subscription and donations was no more than £99 10s. 1d. The balance has to be made up by patients' payments and a donation from the General Fund of the King George Hospital, which adversely affects the Hospital's Income and Expenditure Account.

An earnest appeal is made for increased support for this very essential Public Health Service.

The financial support accorded to this Hospital depends ultimately upon the quantity and quality of the work it performs for the public.

The Annual Report is the only way in which this can comprehensively be told.

Please help by handing this Report to a friend after perusal.

Further copies will gladly be supplied by the Secretary and Superintendent.

It would encourage all who are working for this Hospital and all who are working in it, if, now and then, some of our subscribers and potential subscribers would come and see it. Inspection (by appointment with the Secretary) and Superintendent is cordially invited.
